MEMORANDUM FOR: Chairman, National Intelligence Council

FROM: Director of Central Intelligence

SUBJECT: Proposed SNIE: South Africa and Its Regional Relationships Through the 1980s

The TOR and the outline for the SNIE on South Africa are very good as far as they go. Still, how do you discuss South Africa and its regional relationships without mention of UNITA, a major instrument of South African foreign policy, or of Mozambique and other regional players in the outline? South Africa's declared policy is to avoid a "red belt across South Africa," and yet we have an outline for a piece of work which mentions the Soviet Union only once, and then in a very limited way.
